Hi Molly and Patrick,

I've dropped a word doc with all of the plots I've made thus far for the Mar-June data in G:\Air Enforcement And Compliance Branch\SHB Illinois\Analysis. There's still a few more plots I need to get in there before our meeting next week, but we can discuss additional data needs next week that need to be completed before the NOV meeting (Molly – I did not put the monthly pollution roses in yet). I am here until 11 am today if you have any questions.

Thanks,

Justin Coughlin
